

INTEROFFICE CORRESPONDENCE

DATE: April 11, 1995
TO: Operable Unit 15 Administrative Record, Bldg. 080
FROM: R. J. Ray, Group 1 Closures, Bldg. 080, X8557 ~~RR~~
SUBJECT: EXPLANATION OF DATE DISCREPANCIES BETWEEN 95-RF-00843 AND
94-DOE-08001 - RJR-012-95
DOE ORDER: 4700.1
ACTION: None required

The purpose of this letter is to provide an explanation as to the date discrepancies between letter number 95-RF-00843 and Department of Energy/Rocky Flats Field Office (DOE/RFFO) letter number 94-DOE-08001 (copies attached).

The current Administrative Record shows the Closure Strategy Paper (revised January, 1995) officially transmitted to DOE/RFFO on January 17, 1995 and the DOE/RFFO submittal to the regulatory agencies on January 6, 1995. The reason that the official DOE/RFFO transmittal of Operable Unit 15 Closure Strategy Paper occurred prior to EG&G Rocky Flats, Inc. official transmittal is that DOE/RFFO was informally provided with a copy of the document. DOE/RFFO chose to submit the document without receiving the formal transmittal from EG&G.

If you have any questions regarding this correspondence, please contact Rich Ray at telephone extension 8557.
